

An Update Regarding Eckankar Activities in Wisconsin (dated August 3, 2020)

Due to the outbreak of the COVID-19 virus, Eckankar in Wisconsin has continued suspension of all in-person public ECK events through October 31, 2020.

This is done out of love rather than fear, to protect families, neighborhoods and communities from the spread of the virus.

The suspension refers to in-person public events. We are happy to announce that some public Eckankar events are being held prior to October 31 via Zoom video and/or phone conferencing. **The Eckankar Center of Wisconsin in Madison is also currently closed.**

The most current information is shown both on the Eckankar in Wisconsin website under the Local Activities tab and on Meetup Group sites. Links to all WI Meetup Group sites can be found at the bottom of the Eckankar in Wisconsin homepage.

When we cannot meet in person, we can express love for each other in old and new ways while we negotiate this time of change. We can reach out, even if we can't go out.

“Many people do not understand that life, with its burdens, is a treasure. The weight of disappointment makes us close our eyes to the gift of being in the world to learn about the loving heart.”

“Yet every moment of life offers the chance to give and receive divine love – the secret to spiritual freedom.”
