Monthly Newsletter and Calendar of Events

### Purity

"Purity is the truth of Soul dwelling in God. It calls for the highest in man. If you look for the good in those around you, you bring out the good within them. Never wish for others what you do not want for yourself. By seeing the good in your neighbor, you are bringing out the good in yourself.

"Three practices are key to spiritual purity:

- "First, chant the sacred names of God; hold them constantly in your heart.
- "Second, do everything in the name of God, the Sugmad.
- "And last, love God with all your passion, and serve your fellow man with divine affection.
- "You will see the eyes of the Mahanta shining in every living being."

—Harold Klemp, *ECKopedia: The ECKANKAR Lexicon*, pp. 222-223
