The Awakened Heart

"It doesn't matter what religion you are in; it doesn't make a bit of difference. The only thing that matters is love for God, and that means letting other people be. Give them the freedom that you want for yourself. Love your neighbor as yourself."

"This is the message Christ was trying to convey. If it really were understood by those who proclaim God's love, we would see an entirely different world."

— Harold Klemp, *The Awakened Heart*, p. 138
